

The Mason Shemo Memorial Scholarship

This scholarship seeks to honor Mason Shemo's life by providing support to students who want to make a difference in mental health.

Any North Olmsted High School senior who plans to major in social work, counseling or psychology and intends to work in the mental health field may apply.

To apply, tell us in an essay about a life experience which impacted you, your inspiration for pursuing a career in mental health, your specific career goals, and how you think you'll make a difference in the field of mental health.

Requirements:

- A short essay (500 words or less), topic above
- List of 1 activity or idea North Olmsted City Schools or Mending Hearts for Mason (*non-profit) could implement to improve mental health among students, include in your essay

The scholarship funds must be used for school-related expenses (tuition, room/board, books) within one year after the award is made. The scholarship will be paid directly to the recipient(s).
